

THE DANGERS OF PROJECT 2025

Project 2025 is an unprecedented and dangerous takeover by Donald Trump, his loyalists, and wealthy billionaire donors that would roll back Americans' rights and freedoms, threaten our democracy, and hurt the middle class. At 920 detailed pages, it is an instruction manual written by former Trump administration officials and allies for how to eliminate checks and balances so they can take away the parts of government that protect people and strengthen the parts that control people.

WHAT WOULD TRUMP'S PROJECT 2025 MEAN FOR YOU?

1. Banning abortion and in vitro fertilization (IVF) nationwide.
2. Eliminating Head Start pre-school programs.
3. Ending weekly overtime pay for hourly workers.
4. Separating migrant children from their parents.
5. Allowing federally-funded programs to refuse to serve LGBT people and married same-sex couples.
6. Eliminating the \$35 cap on the price of insulin for seniors.
7. Allowing health insurers to charge more or deny coverage to anyone with a pre-existing medical condition.
8. Ending free and reduced-price school lunch programs.
9. Increasing taxes for middle-class families.
10. Defunding the FBI and federal law enforcement.
